

We need to keep KLOVE on the air, as it serves my family daily with its uplifting programs. PLEASE do not displace the KLOVE 104.3 (My local connection on FM in Cincinnati, with a FM translator service!

Many members of my church and school community rely on KLOVES POSTIVE music and programs to encourage people in their lives. Trying to put priority over this stations would be a big loss to many of our friends and family. My kids can at least hear family friendly programming with NO junky advertising, that solicits, sex, money and "things" on demand, that does not support our values. Please keep this programming available to all, we need family friendly and positive impact on the community more than ever now. Sincerely, Liz Elder
